Shivani

Spanish Teacher (St.Mary's School) Saket

I started learning from A1 and got a job in a school too. They have helped me in getting a teaching job and my journey has been wonderful. They just don't teach you the grammar but the culture as well. I really love the Netflix and Spotify sessions a lot.

Joshua Nicholls

British High Commission, Delhi

My experience at SWM has been wonderful. The best part of it is you don't spend a lot on the courses, and you get DELE preparation for free. All the teachers are super friendly and the classrooms just look like cafés. You also get the benefit of learning from different teachers. Kudos to the team:))

Shivam

Sr. Representative Associate, Concentrix

I started learning language with at Spanish With Mrityunjay and currently working at Concentrix as a senior representative associate. No other institute in Delhi offers such courses at affordable prices. Having free coffee and tea is the best part of my Spanish class.

Liza Khosla

Make-Up Artist

Had an amazing experience while learning Spanish with Mrityunjay. He was super kind and shared informative material regarding our concepts. Everything was so good that I referred him to a lot more students. Go ahead if you need quality education.
